

SAINT 2008 10 workshops and organizers

1. The 2nd International Workshop on SensorWebs, Databases and Mining in Networked Sensing Systems (SWDMNSS 2008)
 - Yoh Shiraishi, Christian Decker, Susanna Pirttikangas and Yoshito Tobe
2. The Third International Workshop on Dependable and Sustainable Peer-to-Peer Systems (DAS-P2P 2008)
 - Yusuke Doi, Youki Kadobayashi, Akiko Orita and Kenji Saito
3. Workshop on Heuristic Methods for the Design, Deployment, and Reliability of Networks and Network Applications (HEUNET 2008)
 - Mario Köppen and Günther Raidl
4. Workshop on Middleware Architecture in the Internet (Mid Arch 2008)
 - Hideaki Sone, Yasuo Okabe and James Sankar
5. Workshop on Social and Personal Computing for Web-Supported Learning Communities (SPeL 2008)
 - Elvira Popescu, Vincenzo Nicosia and Sabine Graf
6. The Fifth Workshop for Ubiquitous Networking and Enablers to Context-Aware Services (UNECAS2008)
 - Shinji Shimojo

SAINT 2008 10 workshops

7. Workshop on Power Consumptions in Future Network Systems (PCFNS2008)
 - Tohru Asami, Kilnam Chon, Hiroaki Harai and Yoshio Yasumoto
 - Accompanied with the Panel Session
8. The 2nd International Workshop on Practical Applications of Sensor Networking (PASN)
 - Hideki Sunahara, Toshifumi Matsumoto, Hiroshi Esaki and Masaya Nakayama
9. The Workshop on ITeS: IT enabled Services (ITeS)
 - Hitoshi Okada and Shiro Uesugi
10. Workshop on Next Generation Service Platforms for Future Mobile Systems (NGSP-FMS)
 - Hitoshi Aida and Klaus David
 - A joint workshop of (formerly) the workshops on
 - Next Generation Service Platforms for Future Mobile Systems (SPMS)
 - Broadband Services and Communications for Mass Transit Systems

SAINT 2008 workshops report

- Number of Submitted Papers 148
- Number of Accepted Papers 88 (acceptance rate 59.4%)
- Number of Regular Presentations 85
 - SWDMNSS: 15/24
 - DAS-P2P: 8/13
 - HEUNET: 10/17
 - Mid Arch: 10/17
 - SPeL: 7/14
 - UNECAS: 8/14
 - PCFNS: 9/15
 - PASN: 6/10
 - ITeS: 8/16
 - NGSP-FMS: 4/8
- Invited Talks and Discussion sessions in some workshops
