

Please read all instructions carefully before conducting your transfer.

Sender must pay all appropriate wire transfer charges in addition to the registration fee. Check your registration to see if the conference is charging an additional fee for wire transfers, and if so, add this fee to your registration. Also check with your Financial Institution to **ensure all bank fees are covered in your TOTAL Wire Transfer Dollar Amount**. The registrant is responsible for any and all differences in what is actually received by IEEE in order to avoid an outstanding balance.
